

# Online Policy

Stem Cell Institute

[info@stem-cell-rejuvenation.com](mailto:info@stem-cell-rejuvenation.com)

For each visitor to <http://www.stem-cell-rejuvenation.com> we receive no information regarding personal email addresses.

With respect to cookies, tracking, etc., Google and other analytics data and software is used, they also automatically set a cookie(s) to make note of how individuals have found and use our site. None of our facilities are currently actively located in the United States, so there is no hipaa posting. Any information shared via our contact forms should be considered unsecure, so if you would not like your information publicly available, please call us directly. We collect information from the consumer, such as through site visits, the contact forms, information forms, and/or site registrations. The information entered and submitted using most of our online forms may or may not use SSL encryption.

The information collected via the website is not sold to other organizations.

From time to time, we may use customer information for new, unanticipated uses not previously disclosed in our privacy notice. Recent changes include sharing inquiry contact information with other clinics. If you do not want this to occur, please do not fill-out the contact form and contact us directly. If any more of our information practices change at some time in the future, we will post the policy changes here, to notify you of these changes and provide you with the ability to opt out of these new uses. If you are concerned about how your information is used, you should check back at our Web site periodically or avoid placing your information in a form.

If you feel that this site is not following its stated information policy, you may contact us at the above address or email.

Your's in health,

Stem Cell Institute
